Greetings and Happy Summer from the Alumni Office!

I hope this note finds the Class of 1982 enjoying these lazy summer days. Your class agent, Janice Pohl, asked me to share the following Augustana news with you for the Summer Class Agent Letter. Please send news and updates to Marilyn for the next edition of the class letter.

While things are relatively quiet on Augie's campus during the summer months, we had a busy weekend in May when we welcomed the Class of 2013 to the ranks of Augustana alumni. 413 new graduates celebrated their hard work and accomplishments at Commencement, held in the Elmen Center on campus. The event marked the first time since 1949 that Commencement has been held on campus.

Augie's website is a great place to learn more about the festivities that day. You can watch videos of the ceremony's speakers, including Dr. Peter Schotten, professor of Government and International Affairs and Social Science Division chair, and Molly Kokesh '13, a German and Government/International Affairs major, Political Philosophy minor, and Civitas honors student from Scotland, S.D. There are also dozens of photos of the celebration. Go to www.augie.edu/commencement to see for yourself!

Each summer, the Alumni Office is busy preparing for our annual homecoming celebration. This year’s Viking Days will be like never before! A special highlight of the weekend will be the All-Class Reunion and Viking Varieties event taking place on Saturday, Oct. 19 at the Washington Pavilion. Reunion classes will be recognized at the event, but ALL alumni are invited to attend the celebration! This will be a great chance to catch up with ALL of your Augie friends! This signature event begins at 6 p.m.

In addition to the All-Class Reunion Event, we are also celebrating the 60th anniversary of Viking Varieties by holding one performance at 8 p.m. in the Mary Sommervold Great Hall at the Washington Pavilion. Even though this is not a milestone reunion year for your class, I hope you will join us for this event that is sure to be amazing and fun!

Looking for all of the information about Viking Days 2013? Please visit the website: www.augie.edu/vikingdays.

There will be complete information in the summer edition of the Augustana magazine as well. Registration for Viking Days opened on July 1 - register now to take advantage of our early bird pricing!
Have a great rest of the summer! Hope to see you on campus for homecoming in the fall!

Sincerely

Mary Toso ’90
